Finally
achieving legal
compliance.

Changes in legislation

In-House Workshop

Topic: CE I RoHS I REACH I POP I WEEE Conformity assessment for testing and compliance with legal requirements

This course is designed to provide **relevant knowledge on the fundamentals and requirements of Directive 2011/65/EU and 2015/863/EU RoHS, Regulation (EC) 1907/2006 REACH, CE, WEEE** and other regulations. It introduces the participants to subject area and helps those with prior knowledge to gather and develop even more detailed knowledge.

This course will show you what to consider now and in the future, **which electrical and electronic equipment is affected** and how to apply **European chemicals legislation**.

Objectives:

This seminar workshop examines and demonstrates **relevant knowledge** about the fundamentals and requirements.

In addition, the day of the event leaves enough room for a range of **practical workshops and detailed analyses**. Contractual aspects and legal framework conditions will also be discussed.

Participants of this course can purchase the FBDi "Environment & Conformity Compass" at FBDi member price (50% discount)!

Date:

individual arrangement

Course Schedule:

09:00 am up 05:15 pm

Cost:

Price per workshop: **€ 2.990,-** plus VAT
incl. conference documents

Information and Registration:

For appointment requests and further information, please email **info@am-sys.com**.

Venue:

The workshop can be held on your premises or in a conference hotel in Munich.

Target Groups:

Technical directors, managing directors, purchasing managers, technical managers, infrastructure managers, workshop managers, logistics and materials management managers, works council members and anyone interested in the subject.

Contents:

Module 1: Introduction

- What demands do you face in everyday life?
- Joint identification of the requirements that arise in the participants' daily business life

Module 2: Theory Part I

- Overview of legislation, legal regulations on environmental aspects and product safety
- Presentation national (German), regional and international regulations with regard to substances, waste, technical conformity and product and transport safety from today's perspective

Module 3: Theory Part II

- Economic actors, responsibilities and duties, customer-/ market-specific requirements
- This section shows how to determine one's own role as an economic actor, and what responsibilities and obligations result from this with regard to corresponding regulations

Module 4: Practice Part

- Product classification, impact analysis
- Presentation of how a product is classified under the various regulations, and what requirements this classification dictates for the product and its documentation

Module 5: Workshop

- Discussion of case studies with presentations of the findings
- Groupwork: Sample products are classified based on economic actor roles, and the corresponding requirements derived

Module 6: Summary

- Q & A session
- Possibility to ask further questions and to exchange ideas in the group

Method:

Brief trainer impulses, exercises, individual and group work, discussion and exchange of experiences

Trainer:

Jens Dorwarth, Chairman of the Working Group Environment & Compliance of the FBDi, Compliance Manager

Conditions of participation: The participation fee for this event includes conference documents, lunch and refreshments, and is stated per person and exclusive of VAT at 19%. It is due upon receipt of the invoice. After receipt of your registration, you will receive a confirmation. You may cancel (written form is required) free of charge until 8 weeks before the start of the event; cancellations by 4 weeks before the start of the event incur half of participation fee. The full participation fee will be due in the event of cancellation after this date. We are happy to accept a substitute participant at no additional cost. The organizer reserves the right to cancel the conference if necessary. In this case, the amount already paid will be refunded. In the event of cancellation by the organizer, any flight, travel and hotel costs already incurred will not be reimbursed by the organizer!
